Guestbook.tv is perfect for corporate events, conferences, and company meetings.

Collect photos, videos, and messages from attendees via QR code and display them live on screen, creating a shared experience that boosts engagement and leaves a lasting memory of the event.

GUESTBOOK TV

Great company event today — let's hope we're still productive tomorrow!

GUESTBOOK TV

Amazing event! Great talks, great people — proud to be part of this team.

Guestbook.tv

Guestbook.tv turns brand activations into interactive experiences.

Visitors scan a QR code to share photos, selfies, and videos that appear instantly on a live wall — generating authentic user-generated content that brands and agencies can reuse across campaigns.

Guestbook.tv for Brands

Great idea — super fun and very on-brand. I had to join!

DEMO PROFESSIONALS

Designed for concerts, festivals, and sports events, Guestbook.tv engages massive crowds in real time.

Fans upload selfies, videos, and messages from their phones, which appear live on stage screens or jumbotrons — turning the audience into part of the show.

Guestbook.tv for LARGE EVENTS

Best concert ever!! The atmosphere is insane 🔥

DEMO PROFESSIONALS

We’re having so much fun — love seeing our photos on the big screen!

DEMO PROFESSIONALS

Guestbook.tv works as a modern digital guestbook for hotels, museums, and venues.

Guests leave photos, comments, and short video impressions via QR code, creating a living wall of memories that enhances the visitor experience and showcases real testimonials.

Guestbook.tv for Venues, Museums & Hospitality

Beautiful place! Loved the experience — definitely coming back.

DEMO PROFESSIONALS

Such a nice idea to leave a message instead of writing in a paper book.

Guestbook.tv

Thank you to everyone who made this day so special. Memories for life!
